Playing Golf

We are now using the BRS Flex membership package based on points. Your membership is split into £200 for membership, £24 for EG/County/Ins. fees and £500 points to be used throughout the year.

When booking a tee time, you will be charged 30 points for Peak and 20 points for Off-Peak for 18 holes of golf, or half these for 9 holes. Peak and Off-Peak follow a matrix as provided below. You must book to play at least 9 holes or 18 holes at the start of your round. You cannot play 4 holes one day and then 5 holes on another day. The start of play dictates if the time is peak or off peak. We are no longer using a book to record this.

It is not possible to roll over unused points from one season to the next. A new Lifestyle membership must be purchased each year regardless of points held. Lifestyle members can upgrade to full membership at any time, taking into account unused points.

Competition Golf

Lifestyle members can play in the following competitions and events: -

- Friendly Inter Club Matches, Competitions only for Handicap Purposes, Friendly Senior Matches, Captains' Days, Sunday Mixed, Midweek/Winter Medals and Stableford, Fun Comps
- Fayre & Feather/Bottle Shotguns, Club Nights, Club Opens

Lifestyle members cannot represent the Club in competitive matches (Hargrove, Handicap League) or play in Club Knockouts. If a Medal or Stableford is run at the same time as a Major Trophy they can enter (including Sweep and Twos) for Handicap Purposes only but cannot win the trophy. LifeStyle members cannot medically suspend their membership. LifeStyle members cannot make use of the Partnership or Reciprocal paying arrangements with other clubs. It is not possible to pay on a monthly payment plan.

Bringing Guests & Buggy Use

Lifestyle members can sign in guests at the member's rate. Buggies hired at the reduced member's rate.
